Employee Spotlight

Scott Fredrick has been with Bradshaw Medical since February 2008.

Scott Fredrick
Sr. Manufacturing Engineer/ Health & Safety Coordinator

In the nearly three years that Scott has been with Bradshaw Medical he has worn many hats and is constantly multi-tasking. His daily responsibilities include supporting all of the manufacturing of process design, work instructions and process validations; coordinating all Health and Safety training for the business. Scott also says that he has been very fortunate to be involved in the building design, layout and coordination of our move.

Scott attended Gateway Technical College and has a technical degree. After school he started out as a Tool and Die Maker at G. Leblanc where he was responsible for manufacturing and maintenance activities. After that Scott worked at another medical company for 2 years learning the business and gaining experience with the medical device industry.

In his spare time Scott is the Scout Master for the St. Therese Boy Scouts Troop 520 in Kenosha and a Basketball coach for St Joseph middle school. He enjoys going to his cottage on weekends to go fishing, doing yard work and spending time on his pontoon boat. Scott is also very involved with the Engineering scholarship committee for the Society of Manufacturing Engineers for Racine and Kenosha.

Thanks Scott & Congratulations!
