Bradshaw Medical, Inc.

Rule #1: If we don't take care of our customers, someone else will!

The Bradshaw Medical Message

Our responsibility as a premier manufacturer of orthopedic, trauma, and spinal instruments for OEM companies is to continually provide innovative products to our customers, their doctors, nurses and patients. We strive to meet and exceed our customer's needs with best-in-class research and development, expert technical support, quality manufacturing, superior customer service, and timely delivery. Bradshaw Medical Vision: • Research & Development (Partnership with Dr. Hua Gao, VP of R & D)

In the News

3/13/2009: Bradshaw Medical, Inc. announced earlier today that they were approved by the British Standards Institute (BSI) to be ISO 13485:2003 certified for their quality management system specific to medical devices, at the company's Kenosha, Wisconsin headquarters. "This is another tremendous achievement and significant milestone in the short history of our organization. It truly demonstrates our ongoing commitment to provide our customers in the spinal and orthopedic community with the highest quality instrumentation available today. It assures them that we have the necessary design and development controls, manufacturing processes and quality documentation compliance systems in place for the devices we provide." commented Keith Easter, President.
