

## Bradshaw Medical Announces Launch of New Website

---

*02/15/13* Bradshaw Medical, Inc. is excited to announce the launch of their newly designed Web site, which went live Monday February 11, 2013 and is located at the same address: [www.bradshaw-medical.com](http://www.bradshaw-medical.com)

The site's homepage welcomes visitors with bold colors, a clean uncluttered design, and moving images with featured content focused on our mission to provide our clients with most accurate product information, strengthen partner relations and share our knowledge and expertise in the field of spinal and orthopedic instrumentation.

The new site is divided into three main sections: PRODUCTS, INSTRUMENT SYSTEMS and CUSTOM DESIGN SERVICES. By moving to a more client-centric layout, we allow visitors to access information based on their own choice rather than sift through everything to decide what is of interest to them.

Our current and prospective clients will find information about the products and services we offer, events, news, contacts as well as a full electronic version of our product brochure.

*To learn more about the company and view their extensive product line, visit [www.bradshaw-medical.com](http://www.bradshaw-medical.com) or call toll-free 1-877-201-7661.*
